2018 MARY L. CREEKMORE MEMORIAL SCHOLARSHIP

About Mary

Mary L. Creekmore was an active member of The Philadelphia Association of Paralegals (PAP) advocating on behalf of paralegals everywhere. Before becoming President of PAP in 2000, Mary served in many capacities, including chair of the Public Relations Committee and Secretary of the Board. During her tenure as President, Mary reinvented the PAP newsletter, starting the committee from scratch, serving as Editor-In-Chief and putting in place the right people to create what has been an important and lasting part of the organization ever since. Looking toward the future, Mary took the first steps towards creating a website for PAP, which went online in its initial format, during her Presidency. She also coined the phrase “Excellence in Skill and Ability”, which has been the Association’s tagline and is still used by PAP.

Mary Creekmore had a knack for bringing out the unique talents in others, supporting and nurturing those talents and providing leadership to those with whom she worked. To that end, Mary recruited many new members into leadership roles within the organization and was, and continues to be, an inspiration to many in the Association. Mary was instrumental in putting together the marketing committee and the marketing packages. Mary initiated the process for the 30th Anniversary celebration for PAP by starting the 30th anniversary committee in 2002 and serving as the initial chair of the committee. She supported efforts to start a Professional Development Committee and helped to reach out to the schools in the area.

Mary taught at the paralegal program at St. Joseph’s University for many years where she taught Professional Responsibility and Ethics to paralegal students. She also served at the national level, first as a delegate representing PAP with the National Federation of Paralegal Associations (NFPA) and then as Region IV Director for NFPA in 2001. She served as the NFPA Ethics and Professional Responsibilities Coordinator in 2002.

Mary was the first paralegal appointed to the Editorial Board of *The Legal Intelligencer*. For over five years she also served on the Philadelphia Bar Association's Commission on Judicial Selection and Retention in the Investigative Division. She was a prolific writer on the paralegal profession and developed and presented many seminars on topics such as Trial Preparation, Discovery and how to Prepare for and Conduct Yourself on an Interview. She spoke at numerous events on behalf of PAP.

In addition, Mary gave freely of her time to charitable endeavors. She helped to deliver toys at holidays with the Support Center for Child Advocates. She helped support the local arts and volunteered with WXPB Public Radio. She enjoyed biking and participated in bike-a-thons to raise money for the American Cancer Society to support cancer research.

Mary obtained her Bachelor's degree from St. Joseph's University. She worked for many years at Cozen O'Connor and Reed Smith, LLP. Her most recent position was with Kessler Topaz Meltzer Check LLP in Radnor. Being a paralegal was always a great source of pride for Mary and she was a true believer in the paralegal profession.

In her last few months, Mary decided that she wanted to pass something on to future paralegal students, so she decided to create a scholarship fund to benefit the next generation of paralegals. Although Mary passed away on August 5, 2014, the Mary L. Creekmore Memorial Scholarship lives on in her memory.
